## ABOUT

Statistics and Sociology student passionate about the intersection of user behavior and data analysis to inform product decisions. Skilled in **product analytics**, **research**, and **cross-functional collaboration** to help teams understand users and build better systems.

---

## EDUCATION

University of Michigan, Ann Arbor, MI

Aug 2023 - May 2027

*B.S. Sociology, B.S. Statistics*

GPA: 3.93/4.00

*Concentration: applied statistics, data analysis, and computational research*

*Honors: Sophomore Honors Award (2025); 4x University Honors (2026); 4x James B. Angell Scholar (2026)*

---

## EXPERIENCE

**Chartflow** — Product Analytics & UX Research Intern

Jan 2026 - Present

- Designed surveys and analyzed **50+** qualitative testimonials to evaluate usability of an EHR simulation product
- Analyzed website usage data across **1000+** sessions to evaluate engagement with core features and UX improvement opportunities
- Synthesized quantitative and qualitative insights for founders and product stakeholders

**Short Circuit** — Director of Product Experience

Jan 2026 - Present

- Built structured user feedback and support systems to assess product usability and effectiveness
- Analyzed recurring user feedback to surface pain points and feature requests for early-stage product decisions

**University of Michigan — Education Policy Initiative** — Research Assistant

May 2025 - Present

- Performed data integration, cleaning, and quality assurance on **100k+** records for large-scale, multi-institutional education datasets to support policy and stakeholder decision-making
- Standardized data from **30+** institutions using Excel, Python, and annotation tools for consistency

**University of Michigan - UROP Research Scholars** – Research Mentee

Sep 2023 - May 2025

- Analyzed **300+** unstructured documents (college syllabi); built regression models and visualizations in R to assess trends in general education requirements
- Synthesized findings into a **13-page** policy brief and stakeholder presentations
- Awarded Blue Ribbon Award for **Outstanding Oral Research Presentation** (2025)

**Rate Your Landlord** — Product Design Project

Apr 2024

- Conducted user research and designed product flows and interfaces in Figma for a tenant-focused mobile app

---

## LEADERSHIP

**UROP (University of Michigan)** — Peer Facilitator

May 2025 - Present

- Lead bi-weekly workshops for **20+** undergraduates on analytical communication, data integrity, and documentation, translating technical concepts for non-technical audiences
- Collaborate with senior staff to review student work, and ensure alignment on goals and timelines

**She's the First (University of Michigan)** — Co-President

May 2025 - Present

- Directed strategy, programming, and external communications for **50+** member education-advocacy organization
- Managed messaging, marketing initiatives, and funding coordination for campus-wide campaigns

**Memory Project (University of Michigan)** – Vice President

Jan 2025 - Present

- Co-founded chapter, scaled membership to **100+** participants, and delivered **80+** portraits to nonprofit partners
- Presented organizational impact at the 2025 Ginsberg Student Grants Showcase to nonprofit and campus stakeholders

---

## SKILLS

- **Analytics & Tools:** Python, R, Excel, C++, Data Visualization, NLP (basic)
- **Research Methods:** Data cleaning, data annotation, statistical modeling, document analysis
- **Professional:** Client communication, stakeholder presentations, workshop facilitation, team collaboration
